FOR IMMEDIATE RELEASE

Construction of Roadside Pullouts and Median Islands on 380 and 101 in San Mateo County (Various Locations)

San Mateo County- The California Department of Transportation (Caltrans) will begin work on a roadside pullout project at various locations in San Mateo County along Highways 101 and 380. Excavation activities and paving work will begin the week of February 8, 2016, (weather permitting). This work will require lane closures on 101 and 380. Additional work at these roadside pullout locations will be performed in following weeks.

Lane closures for 101/380:

Monday/Tuesday, February 8 and 9, northbound 101 on-ramp and off-ramp at Airport Blvd. Closed between the hours of 9:00 PM and 5:00 AM.

Crews will be performing paving operations on Wednesday, February 10, eastbound 380. Various lane closures between the hours of 8:00 PM to 5:00 AM in the city of San Bruno.

Crews will be performing paving operations on Wednesday, February 10, westbound 380. Various lane closures between the hours of 8:00 PM to 5:00 AM in the city of San Bruno.

Note: Roadside pullouts will be used by Caltrans Maintenance Crews and California Highway Patrol (CHP) to allow vehicles designated parking areas without interfering with mainline traffic.

Construction signs are posted to warn motorists.

This project is scheduled for completion in March 2016.

Schedule is subject to change due to weather conditions and/or sequencing of work.
